

An aerial photograph of a forest with a path, overlaid with a white rectangular frame containing the text "OUTDOOR LIVING". The path is a light-colored, sandy or gravelly trail that winds through the dense green foliage. The text is centered within the white frame and is written in a large, white, serif font. The overall image has a high-contrast, artistic feel, with the white text and frame standing out against the dark green and brown tones of the forest.

CAMBRIDGE BARBEQUE & FIRE PIT SPARK SCREEN

This optional stainless steel screen is durable and hinged for easy access to the fire and offers protection from flying embers. Fits onto all square and round barbeque & fire pits.

CAMBRIDGE BARBEQUE & FIRE PIT COVER

This optional galvanized steel cover prevents dirt and debris from entering the fire pit when not in use. Fits onto all Square and Round Barbeque & Fire Pits.

Note: An open fire will damage the Spark Screen. It has been specifically designed and engineered for containing sparks and embers only.
