

### Fire Pits, Screens, Grates and Accessories WARRANTY

#### Original Owner Warranty:

Aspen Industries, Inc. warrants its Fire Pits, Safety Screens, Fire Grates, Fire Pit Covers and Accessories, **to the original owner**, against breakage (except breakage due to mishandling and abuse) for 12 months from the date of consumer purchase. No warranty on paint – normal weathering and some discoloration may occur depending upon materials burned. Scratched or exposed metal will oxidize and discolor. Shipping not included.

Our Return Policy covers damaged or defective products only. Scratched or exposed metal will oxidize and discolor. If you feel that your product is defective or has been damaged during shipment, please contact one of our Customer Service representatives immediately at sales@masterflame1.com.

If the product is found to be defective or damaged, either a replacement or refund may be issued. Any refund issued will be applied to you as credit in your account. If the product was damaged during shipment, we will require for you to provide us with information and pictures of the damaged product including packaging so that we may file a claim with our shipper.

### Gas Log and Burner WARRANTY

#### Original Owner Warranty:

Aspen Industries, Inc. warrants its Gas Burner Assemblies, **to the original registered owner**, against breakage (except breakage due to mishandling and abuse) for life. Aspen Industries, Inc. warrants its factory installed pilot valves, controls, accessories and logset to its owner, against any performance defects for a period of 1 year from the date of consumer purchase. Shipping not included. WARRANTY REGISTRATION IS REQUIRED.

### TERMS & CONDITIONS

#### PAYMENT TERMS:

1% 10, NET 30 DAYS. Late charges 2% per month on payments beyond terms.

#### FREIGHT:

F.O.B. Bensenville, IL60106

#### LEADTIME

Your order will ship in 10-14 business days from receipt of order.

#### CREDIT CARDS:

Aspen Industries, Inc. accepts Visa and Mastercard for Invoice payments (2% added to credit card processing transaction).

#### RETURNS:

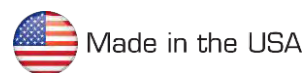

A Returned Goods Authorization (RGA) is required prior to return of material. There is a 20% restocking fee for all returned goods. Return shipping not included.

#### DAMAGED FREIGHT

Upon inspection of delivered products, if the package was delivered via FedEx ground or UPS ground, email us at sales@masterflame1.com when you notice any damages and we'll reship a new product and take care of all claims. If the product comes on a skid / pallet via common carrier (LTL) such as an extremely large fire pit screen. Inspect the product before signing any paperwork. Upon inspection, if you notice damages then refuse the freight and call us and we'll reship you a new product. All of our products have stickers on the package. Do not accept if product is damage. This is very important. Once you sign the paper work you are saying that you received the product in good shape and there are no damages. In the unfortunate event that a product is delivered and you do sign for it without inspecting the product first – then according to the freight companies' policies all damage claims must be filed by the consignee (the receiving customer) If you have any questions, please call 630.238.0611. It's best that you completely understand this before ordering and freight being delivered via Common LTL carriers. If you arrange for your freight company to pick up any product from our warehouse, we will not accept liability for any damages. This would be between you and whomever picked up the freight from our warehouse. This includes any freight forwarding companies as well.

**PRICE POLICY:** All prices are subject to change without notice. Orders are subject to credit approval at time of placement.

WELDED STEEL FIRE PIT GRATES

Master Flame™ Round Fire Pit Grate

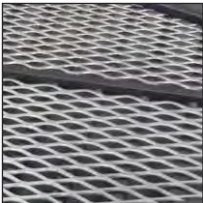

Round grate shape is ideal for campfires, fire pits or corner wood-burning fireplaces. Master Flame grates are a great update for old cast iron grates.

- Choice of welded 5/8" carbon steel bar stock or stainless steel bar stock
- Standard Sizes - *Tip to Tip (Tine):* 38", 36", 33, "30", 27", 24"
- 4" standard leg height for optimal burn; 4" standard tine height (8" floor to top of tine)
- Optional Char-Guard Ember Catch

Char-Guard Models

Char-Guard Option improves complete burn consistency, simplifies ash clean-up and allows you the choice of using charcoal. Char-Guard is heavy duty expanded metal fitted and welded to the underside of the grate.

How to determine grate size to order:  
For Round Grates, order at least 6" smaller diameter than the inside fire pit dimensions for 3" space all around.

CUSTOM Personalization

LIFT OFF DOME and PIVOT STYLE Fire Pits Screens ONLY

CUSTOM Personalization

for Round DOME STYLE and PIVOT STYLE Fire Pit Screens

Your name, theme or message will be plasmacut into the lower frame before fabrication. The 1-1/4” tall block type lettering (ARIEL BOLD) is stencilized so it can be cut into 1/8” x 2” steel bar stock for fabricating the lower rim on fire pit safety screen’s framework.

**MASTER FLAME Round Pivot Safety Screens:** Message and words must fit between pivot points with 3” clearance. Lettering can be cut into both halves of Pivot Screen lower frame rims. (Dependent on size – see common screen diameters in chart.)

**MASTER FLAME Round Lift Off Dome Safety Screens:** Message and words must fit on the rim. Lettering can go all the way around a Lift Off Dome Screen. (Dependent on size – see common screen diameters in chart.)

**PERSONALIZATION MINIMUM CHARGE:**  
\$210 US Dollars for up to 30 Letters  
Additional letters - \$7 per letter

Master Flame™ Elite  
Triple Burner with Logs

The Elite Series is the preferred choice of those who want the fullest, most natural looking flame, and the only choice for those who want the luxury and esthetic appeal of a real wood fire. Optional conveniences like hi-lo flame modulation, remote controls and even electronic ignition give the owner the ultimate in comfort and mood control.

- Cleanest, most realistic burn in the industry
- Straight port injection
- Sandless - Specifically designed diverters and baffles disperse gas to provide a livelier, more natural-looking fire. No sand maintenance required.
- One piece burner construction
- Separate logs - can be configured to the owner's preference (number of logs depends on system size)
- Choice of Log Style
- High heat-resistant electrostatically applied, black finish
- Optional log accessory kit available to hide electronics, hook ups, etc.

INSTALLATION KIT includes Black Lava Rock, Glowing Embers, Vermiculite Medium, Bendable Gas Line with Fittings and 10 Scent Sticks. Dampener Clamp not supplied with Match-Lit Burner.

Ordering Gas Log Burner and Logs

Specify Natural Gas (NG) or Propane Gas (LP) for each model ordered. Be sure to specify log style – Red Oak (RO), Charred Split Oak (CSO) Enchanted Evening (EE) or Aged Oak (AO) – along with the burner size. Examples: #EL24-NG-AO, #EL21-LP-CSO, #EL36-NG-RO

Log Styles Apply to ALL GAS LOG Models as noted in descriptions.

Optional: Specify Gas Control Valve  
Upgrade of installed gas valves.

UPGRADE: Factory Installed Gas Valve

GAS LOG BURNERS

ELITE GEMINI “SEE-THRU”  
5 BURNER With LOGS

The “SEE THRU” GEMINI Series features Master Flame's sandless, straight port injection providing the liveliest and most natural-looking flame and burn - noticeably superior to grate/burner/sand/pan log sets.

- Five Burners - Two Outside Burners, Center Burner and Twin Ember Burners (One on Each Side)
- High heat-resistant electrostatically applied, black finish
- Choice of Log Style (see page 4).
- Optional Gas Control Valve Upgrade (see page 2)

Specify NG or LP, Log Style and burner size.  
Examples: #ELG18-NG-RO, #ELG24-LP-CSO  
Optional Gas Control Valve **UPGRADE** (see **page 14** for pricing and pictures of installed gas valves).

FIREPLACE SCREENS

Fireplace SAFETY SCREENS

Single Panel Fireplace Screen with  
Steel Footing or Bow (Curve)

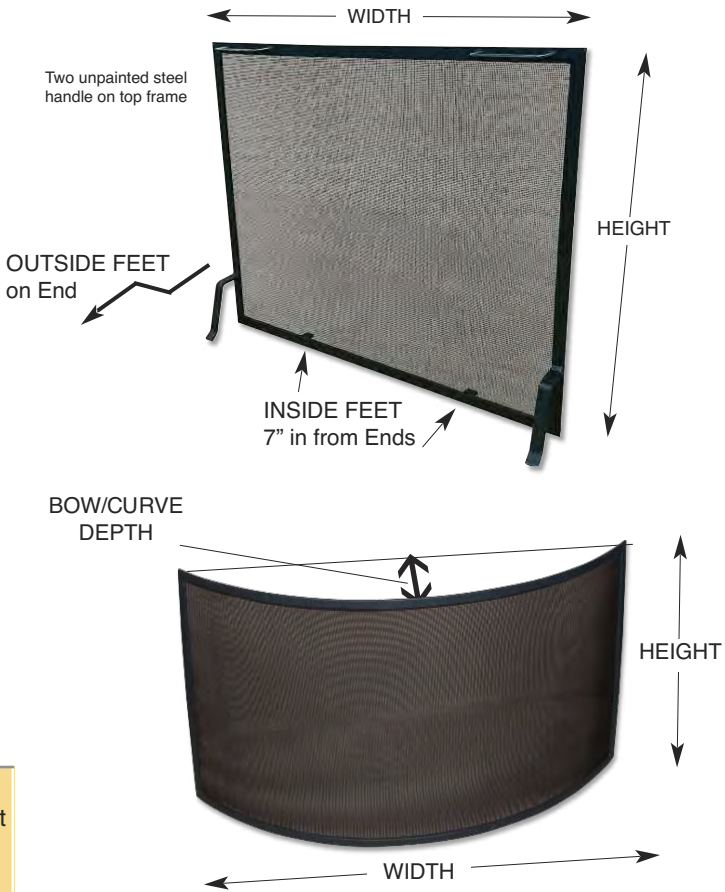

- Aspen Industries Fireplace Screens are welded high grade steel mesh and bar stock and have a high heat-resistant electrostatically applied, black finish
- Handle(s) welded to top frame
- Maximum Size 48" x 48" (16 square feet)

How to Order Single Panel with  
Steel Footings

For single panel screen with steel footings, supply us with height and width and any footing requirement (Outside and Inside Feet). Standard size is 7" footings (Outside Feet stick out 4-3/4" in front and Inside Feet are 2-1/4" deep in back). Refer to figure at right.

How to Order Curved Single Panel  
(Bowed - No Leg Footings)

For curved screens, we require the height, width and curve depth (bow) required. Standard bow is 6". Welded handle available upon request.

SINGLE PANEL FIREPLACE SAFETY SCREEN STANDARD SIZES Flat or Curved (Bow)	STANDARD SIZE Up to 9 Square Feet MSRP
36 x 28"	\$245
36 x 30"	\$245
36 x 36"	\$245
40 x 28"	\$245
40 x 30"	\$245
40 x 36"	\$267
48 x 28"	\$267
48 x 30"	\$267
48 x 36"	\$311

SINGLE PANEL FIREPLACE SAFETY SCREEN CUSTOM SIZES	NON-STANDARD SIZES Up to 9 Square Feet MSRP	Over 9 Square Feet per square foot ADDER Add to STANDARD MSRP
FLAT with Frame Footing	\$245	\$22.00
CURVED (Bow)	\$245	\$22.00

**DETERMINING NON-STANDARD SIZES:** Multiply length X width and divide by 144 and round up. Example: 46 x 32" = 1472. 1472/144 = 11 square feet (10.2 square feet rounded up). Approximate Weight of Screens: 17 lbs.

CUSTOM FABRICATION

PRODUCT INDEX

WELDED STEEL PRODUCTS  
MADE TO SPECIFICATION:

Custom is referred to as any product not listed in the Aspen Industries, Inc. current price list.

To quote a Custom Unit Order we will need a drawing with specifications.

Aspen Industries Custom Order Department has manufactured many types of welded steel hearth, fireplace and fire pit product, including burners, fire grates, burner and grate systems, burner and pan system, "fire and ice" type burner / shallow pan, fireplace screens as well as unique fire pit screens with special handle and access locations.

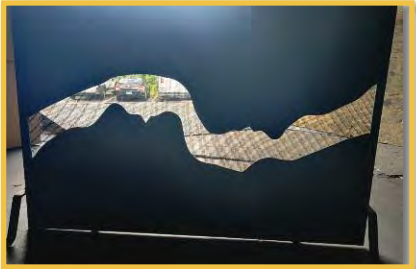

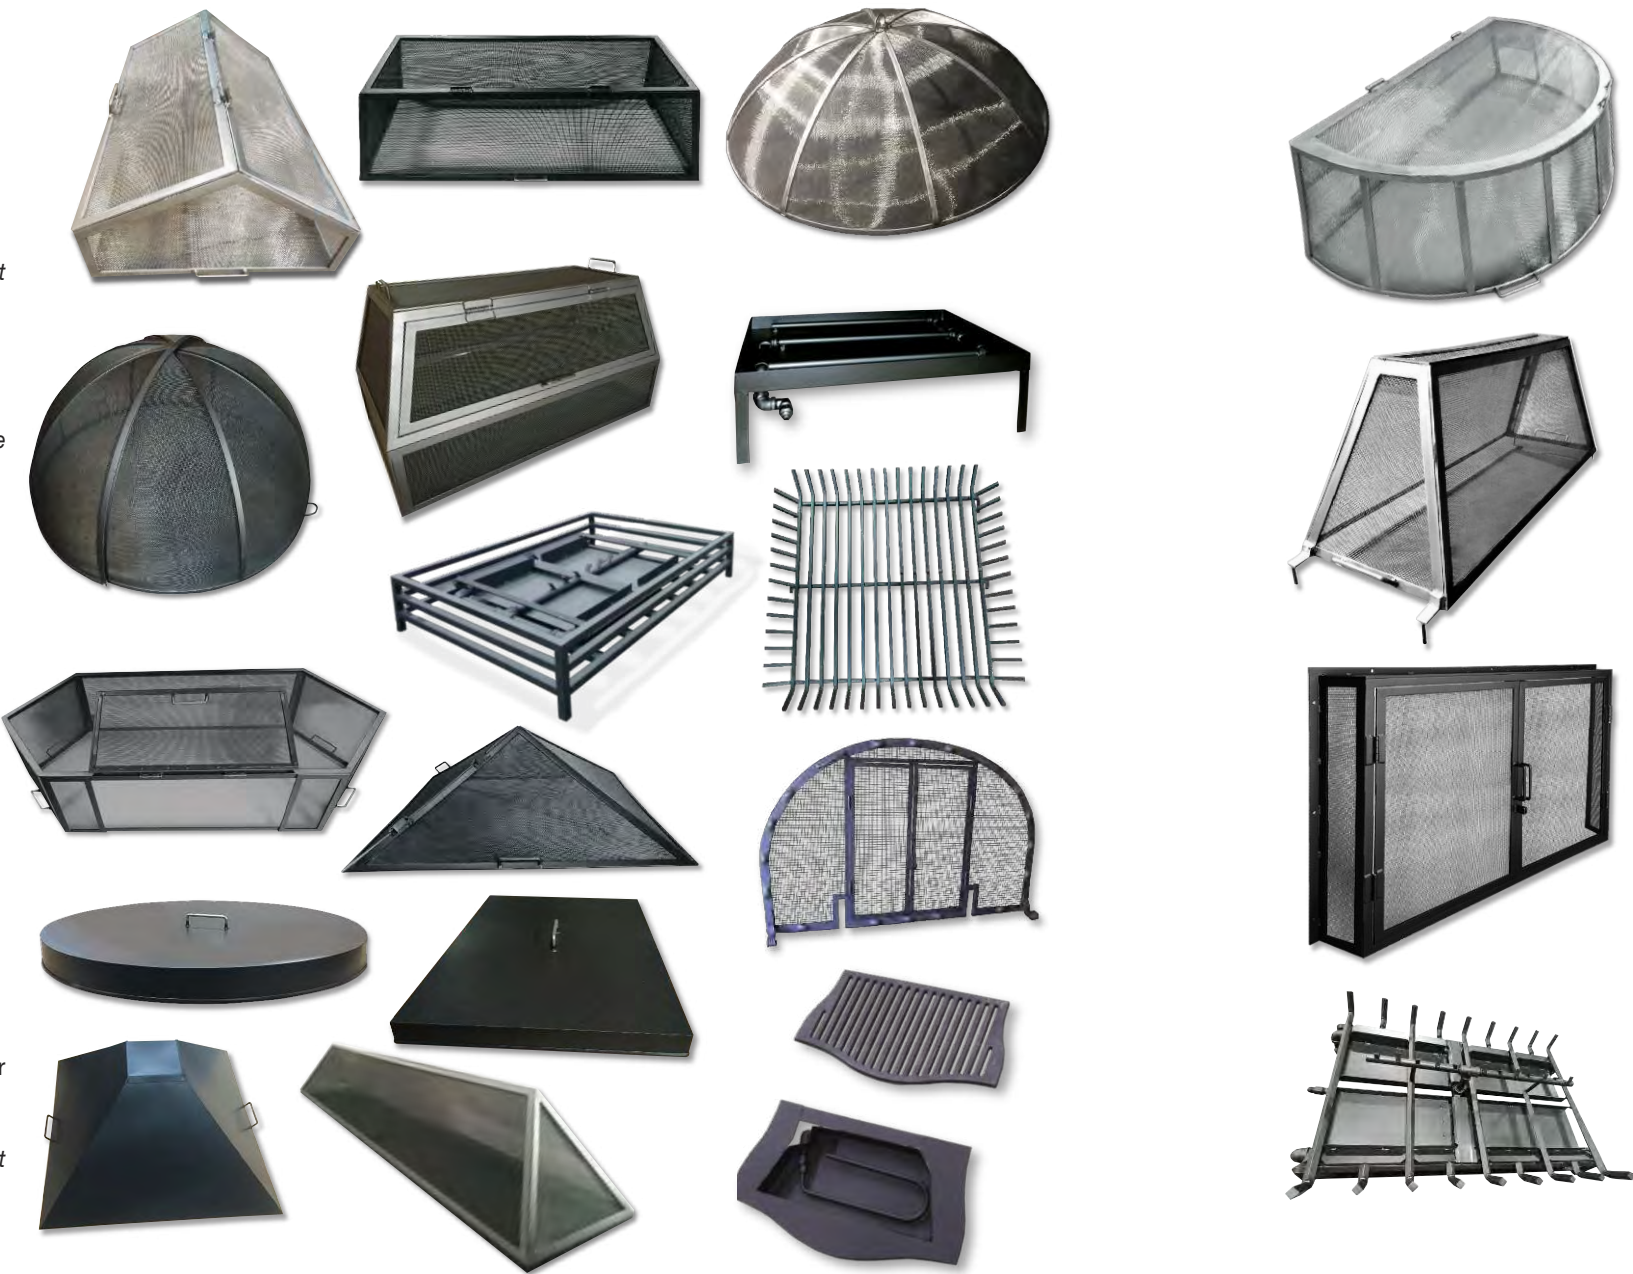

PLASMA-CUT PLATE AND  
METAL SHEETING  
MADE TO SPECIFICATION:

To quote a Custom Part or Art Design Order we will need a drawing with specifications.

Aspen Industries Custom Order Department can fabricate parts and designs from sheet metal up to 1/2" plate. CALL FOR QUOTE.
