# LINEAR FIREPLACES

Single Sided & See-Through

Carol Rose Linear Fireplaces are built of stainless steel construction, an integrated LED lighting system and a concealed gas burner beneath a large bed of clear-frost crushed glass. A tilt-up cover conceals all controls, including push button ignition and flame control (now with High, Medium and Low) plus an intuitive button to control the changing pattern and color of the LED lighting. For Outdoor Use Only.

**Select one Linear Fireplace and Accent LED Glass (decorative glass may be added to area surrounding burner) to make a complete fireplace. See below for framing dimensions.**
